Pattern Markings

←→ Grainline - Place on straight grain of fabric, parallel to selvage or fold.

FOLD Place line on fold of fabric.

GLOSSARY

EASESTITCH-Stitch along seamline, using long machine stitches. Pull thread ends to adjust the fit.

GATHER-Stitch along seamline using long machine stitches. Pull thread ends to adjust the fit.

REINFORCE-Stitch again along seamline using small machine stitches.

TOPSTITCH-On outside, stitch 1/8" to 3/16" from seam depending on size of pattern.

CLIP CURVES-Notch inside curves and clip outside curves.

TRIM CORNERS-Trim excess fabric from outside corners.

FINISH EDGE-Use a zigzag stitch, or stitch of your choice, to finish raw edge of fabric.

TIPS

Use knitting needle to **gently** turn square corners right side out.

Overlap Velcro right over left and place softer side of Velcro on right side of garment. It will be softer for the dog if Velcro comes into contact with the skin.

The following instructions demonstrate how to alter this pattern to fit your dog perfectly. Begin with the Body Measurements noted on the 1st page of the pattern.

Altering Belly Bands A & B

Fit pattern to your dog prior to cutting fabric. If alterations are necessary the pattern may be “trimmed” or “added to” as shown below.

Add to or trim
